

“Connecting Nature’s
Harvest to the World”

PT. TAMBASA
INDO JAYA

Company Profile

PT. Tambasa Indo Jaya

Commitment

We are committed to delivering high-quality agricultural and fisheries exports with integrity, sustainability, and professionalism to support global food supply and rural growth.

About Us

PT. Tambasa Indo Jaya is an export company based in Makassar, South Sulawesi, Indonesia, specializing in rice husk, other agricultural products and fisheries. With a commitment to quality, sustainability, and reliability, we connect Indonesia's rich agricultural and fisheries resources to international markets, supporting farmers, fisherman and strengthening the nation's export potential.

Get to Know Our Goals

■ Company Vision & Mission

Company Vision

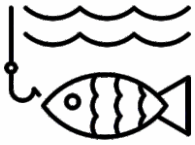

To become a trusted and leading exporter of agricultural and fisheries products that promotes sustainable farming and fisheries strengthens Indonesia's presence in the global market.

Company Mission

- To provide high-quality agricultural and fisheries commodities that meet international standards.
- To empower local farmers and fisherman through fair trade and continuous development.
- To promote environmentally responsible and sustainable agricultural and fisheries practices.
- To build long-term partnerships based on trust, integrity, and mutual growth.

Our Service

Fishery Export Services

PT. Tambasa Jaya also provides high-quality fishery products sourced from trusted coastal communities in Indonesia. We ensure proper handling, freshness, and international standards compliance. With reliable cold-chain logistics and strict quality selection, we supply seafood products that meet global market demands while supporting sustainable fishing practices and coastal economic growth.

Other Agricultural Products Export

Beyond rice husk, we export a variety of premium Indonesian agricultural products to global markets. Our range includes crops and by-products that reflect Indonesia's rich farming heritage. Each shipment is managed with precision and care, ensuring freshness, purity, and compliance with export standards. We aim to bridge local farmers & fisherman with the world, enhancing the value of Indonesia's agriculture & fisheries through sustainable trade and global collaboration.

"From Indonesia's fertile lands to the world — we deliver nature's best with care, quality, and integrity."
